WELLSPRING COMMUNITY CHURCH

IMPACT REPORT

**20
24**

We have jumped right into 2024 here at Wellspring and we would like to take a moment to update you and your family on how much you have already made possible in the first quarter of this year.

Here are just a few things that you have helped make possible through your generosity:

01

YOU ARE STRENGTHENING THE FAMILY UNIT IN THE SOUTHSHORE COMMUNITY.

Couples One Day

Over 80 couples committed to investing in a God-first marriage. After reigniting a passion for pursuing God and each other, over half continued their investment for 6 weeks of community within a Marriage Grow Class.

Marriage Grow Classes

This Spring over 40 couples invested in 1 of 4 Marriage Grow Classes that helped them dive deeper into important topics such as: restored communication, marriage values, God-given vision for their families, pre-marital counseling and much more.

"We began with Couples One Day and we gained so many new perspectives of how to handle decisions in our marriage together, how to problem solve, talk to each other about the hard things, and move past some of the pains in our past. It was truly an incredible experience. On top of the deeper emotional connection we gained, we also found insight on how God wants us to succeed in our marriage. We now, months later, continue to use the tools we gained to continue a successful and faith bearing marriage. We recently went on a 24 hour getaway just the two of us. I cannot recall the last time we made "US" a priority and took time together to enjoy."

- Lenny & Jessica Allen

YOU ARE HELPING TO SPREAD THE MESSAGE OF HOPE TO OUR COMMUNITY AND AROUND THE WORLD.

Hands of Hope launch

We are passionate about empowering those who attend Wellspring to walk in their God-given purpose. One couple in particular have begun a free Outreach for the Southshore community that is reaching hundreds every single week. They serve families and individuals with a plethora of free donations of food, clothing, hygiene products, toys, homeware and gently used items etc. Other volunteers have jumped into these efforts, and we are honored to support this mission that is greatly impacting our community.

Israel Hope and Healing Trip

7 leaders from Wellspring were able to travel to Israel in partnership with FIRM to tangibly, and face to face, bring the Hope and Healing of Yeshua to God's chosen people. Over the course of 10 days, they served the hundreds of thousands of people who had been displaced through various projects, worship events and community building efforts.

03

YOU HELPED US EXPAND OUR SPORTS MINISTRY.

SouthShore Youth Sports

Our Winter 2024 season was our largest yet with a total of 185 players! Within that, we had a total of 24 teams and 35 incredible coaches & volunteers.

Through our focus on Christ, we were able to experience kids growing in their confidence to pray in front of the whole team. Some children had never been to a Church and through their season with SYS were invited to Wellspring and are now attending.

Coaches are being invited to attend events for their players outside of practices and games (birthday parties, graduations etc). Long lasting relationships are being formed!

Basketball & Pickleball Courts

Thank you for partnering with us as we reach the SouthShore Community with the REAL HOPE of JESUS!

Your influence in the kingdom resonates throughout eternity, and we are grateful for your essential role in what is being accomplished in and through Wellspring. May God's blessings abound for you and your family!
